2011 CHOCOLATE CONTEST AT THE COUNTY FAIR

This contest promises to be the most delicious of all the Virginia Egg Council sponsored recipe contests, because let's face it – who doesn't love chocolate? And it's hard to bake something wonderful with chocolate without the addition of eggs. From dense chocolate cheesecake to rich chocolate cupcakes topped with Ganache, to the best brownies in the world, these items all contain eggs and chocolate – the perfect recipe for something fabulous. The possibilities are endless so we're

expecting Virginia's clever cooks (the best in the nation) to come up with some really special creations to prove why everybody does love chocolate!
